

> D-BEKP

The **BOMBARDIER Challenger 300** is a super-midsize business jet and the perfect choice for medium-haul flights. It is a sophisticated aircraft with a true transatlantic range of 3542 mi, designed to ensure exceptional performance over land or sea and to meet unprecedented safety standards.

The layout of the D-BEKP provides great comfort for eight passengers, comprising two four seats in club configuration. All seats come fully adjustable and with foldout tables as well as individual AC power plugs. The cabin itself measures 28.50 ft in length (excl. cockpit) and 7.19 ft in width. Adding the flat floor design and the outstanding height of 6.10 ft, the Challenger 300 convinces with its open, spacious atmosphere.

The galley with generous work surface, microwave oven, drainable ice drawer can be divided from the cabin, in order to guarantee the necessary privacy for the charter costumers. A fully enclosed aft lavatory and direct access to the baggage compartment round off this aircraft type, making it an exclusive means of travel for both business and pleasure.
