

## > D-CKHG

The Cessna Citation XLS is one of the world's best-selling business jets. It benefits from the cabin comfort of a midsize jet and provides the flexibility and freedom of a light jet. Being the upgrade on the Citation Excel, this model comes with an increased range of 2020 mi and delivers an exceptional performance as well as the largest external baggage compartment in its class.

The D-CKHG carries eight passengers, offers a pleasant standing height and is equipped with comfortable, wide leather armchairs. The set-up comprises four seats in a central club configuration, two aft cabin forward facing seats and a single side-facing bench in the forward cabin. Four pull out tables, a large one between each club section and a smaller one at each forward facing seat, round off the intelligent layout.

The galley includes a cabinet with ice drawer as well as storage and offers surface for catering arrangements. A fully enclosing, hard pocket door divides the aft lavatory from the main cabin, ensuring the necessary privacy for the guests. The D-CKHG represents an exclusive and convenient means of travel for both business and pleasure.
